

# Pilot Study Analysis

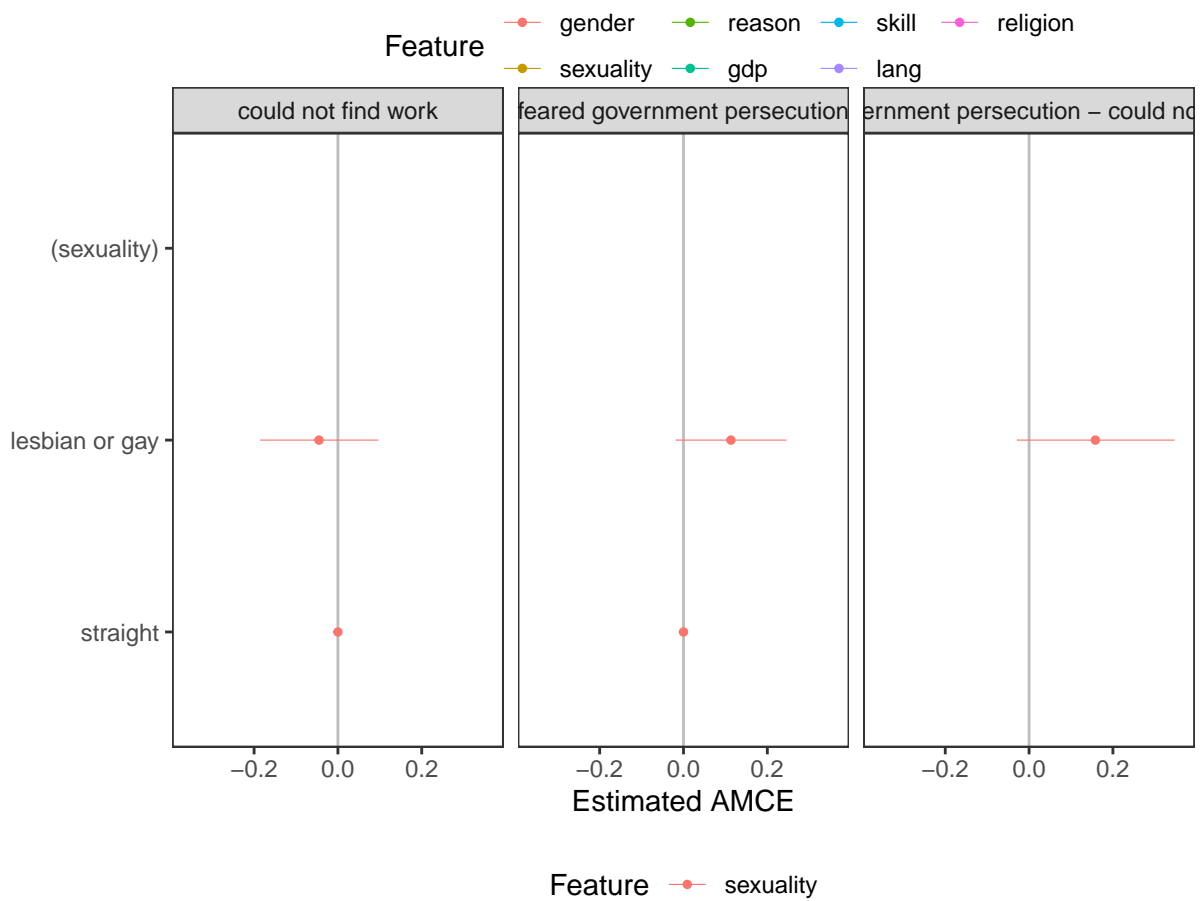

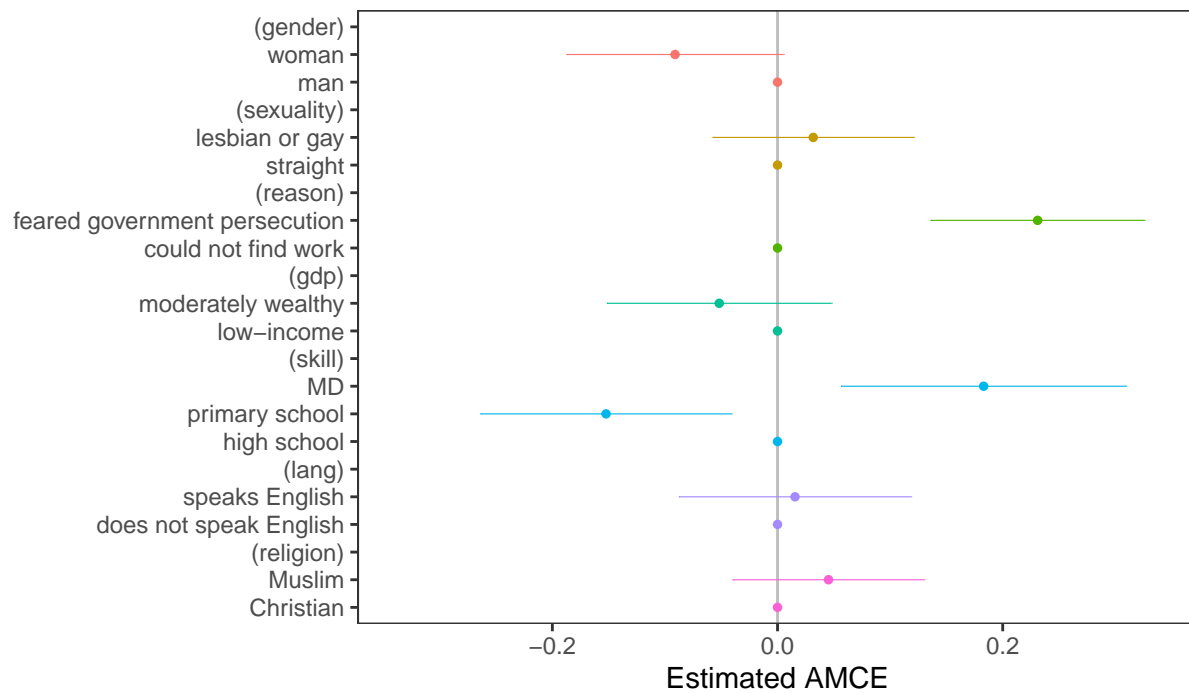

TESS Proposal: Skill, Sexuality, and Immigrant Deservingness

Nathan I. Hoffmann, Department of Sociology, University of California, Los Angeles

Kristopher Velasco, Department of Sociology, Princeton University

February 8, 2023

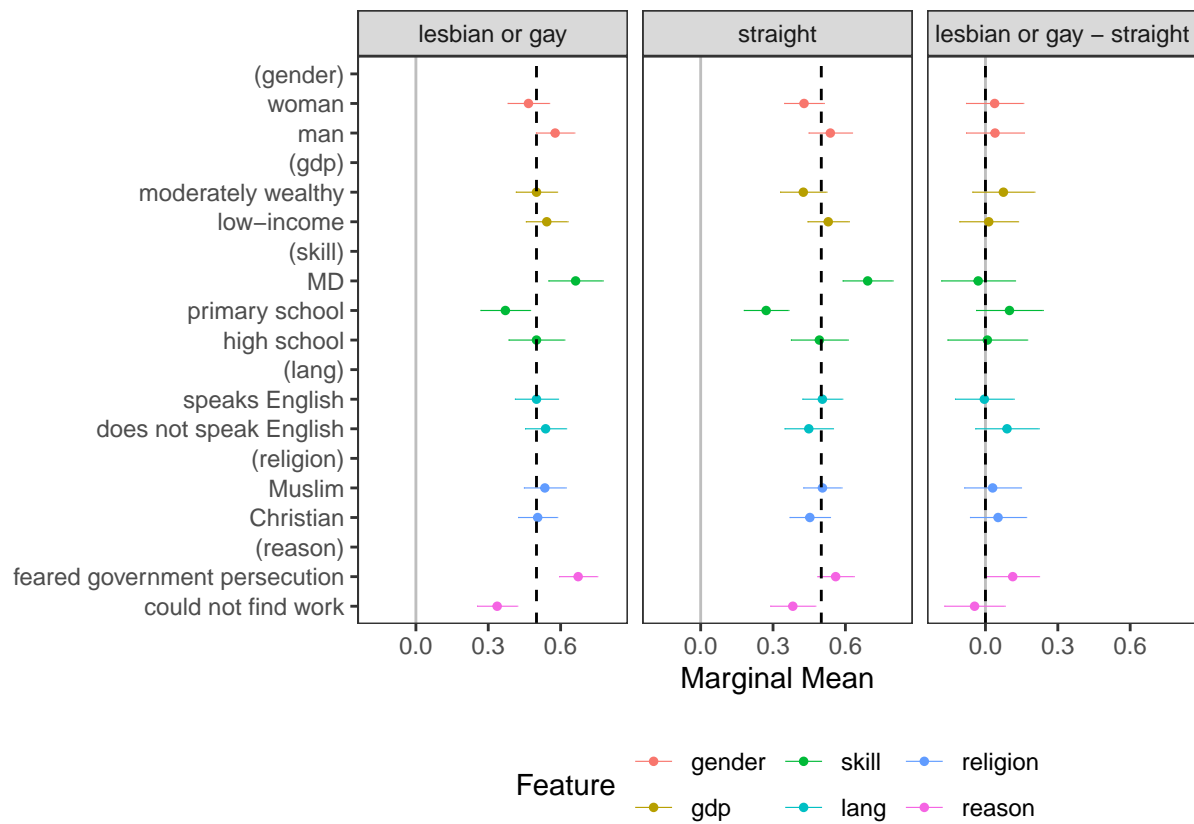

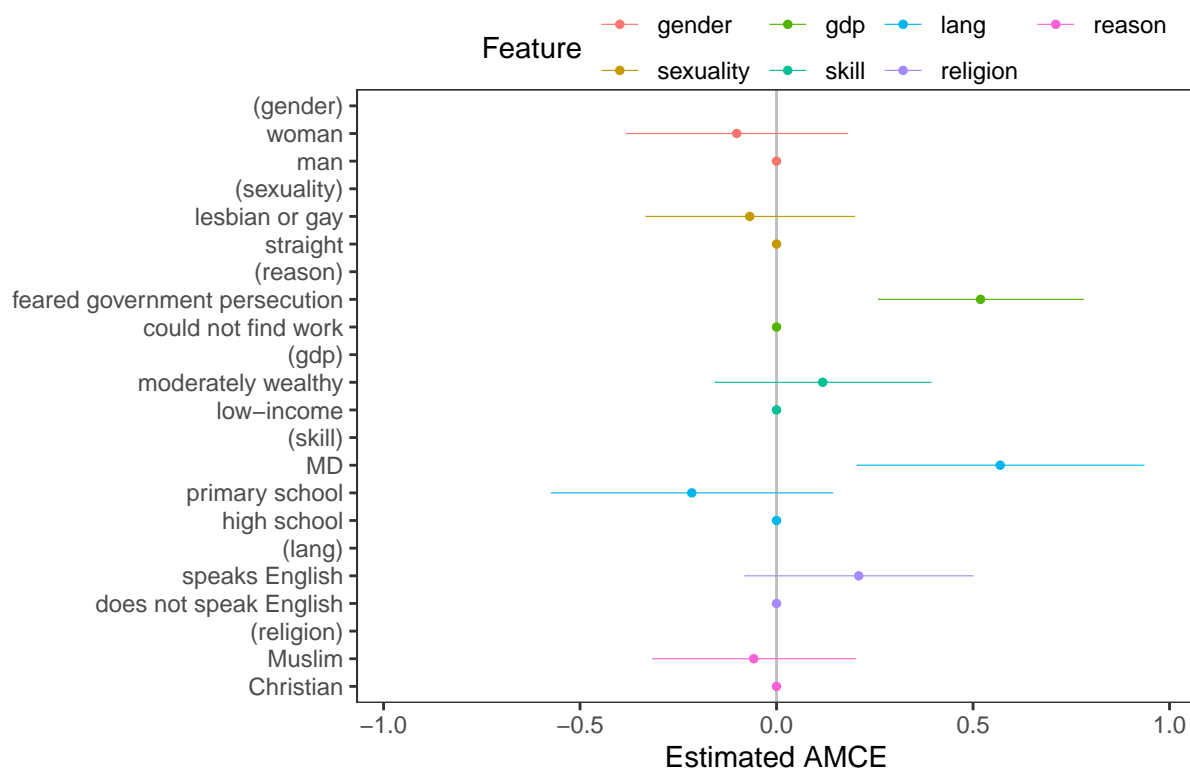

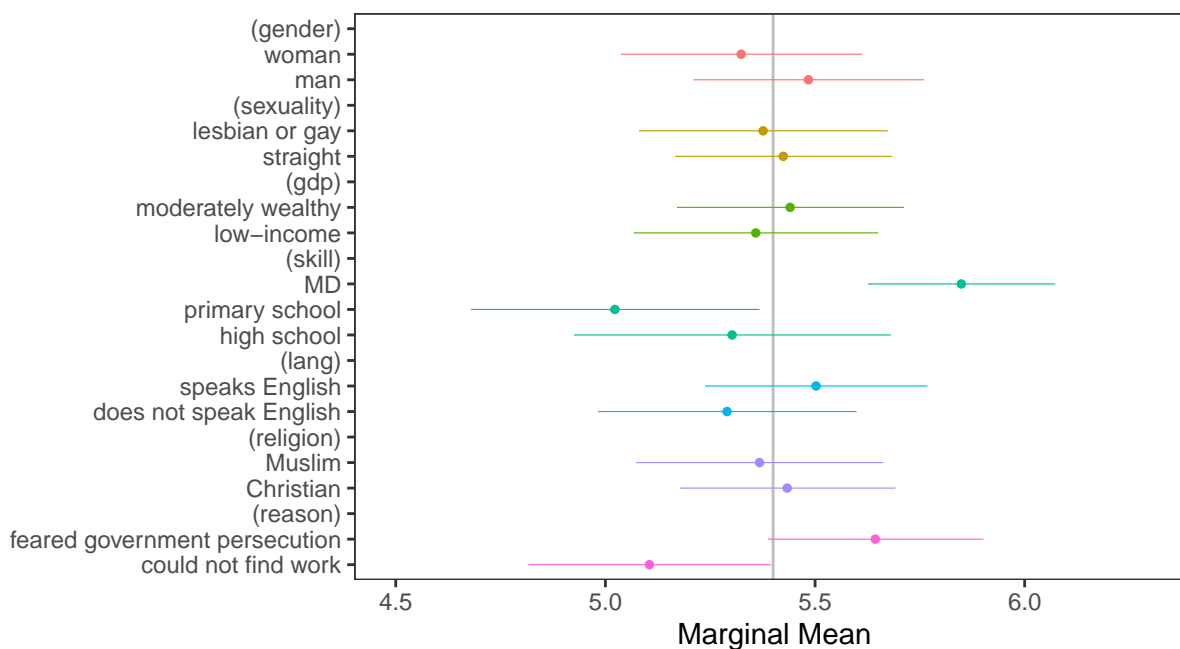

Table 1

outcome	statistic	feature	level	sexuality	estimate	std.error	z
chosen	amce_difference	reason	feared government persecution	lesbian or gay	0.158	0.0954	1.66

Table 2

outcome	statistic	feature	level	estimate	std.error	z	p	lower	upper
chosen	amce	reason	could not find work	0					
chosen	amce	reason	feared government persecution	0.178	0.0676	2.63	0.00864	0.0451	0.311
chosen	amce	reason	could not find work	0					
chosen	amce	reason	feared government persecution	0.336	0.0669	5.02	5.25e-07	0.205	0.467

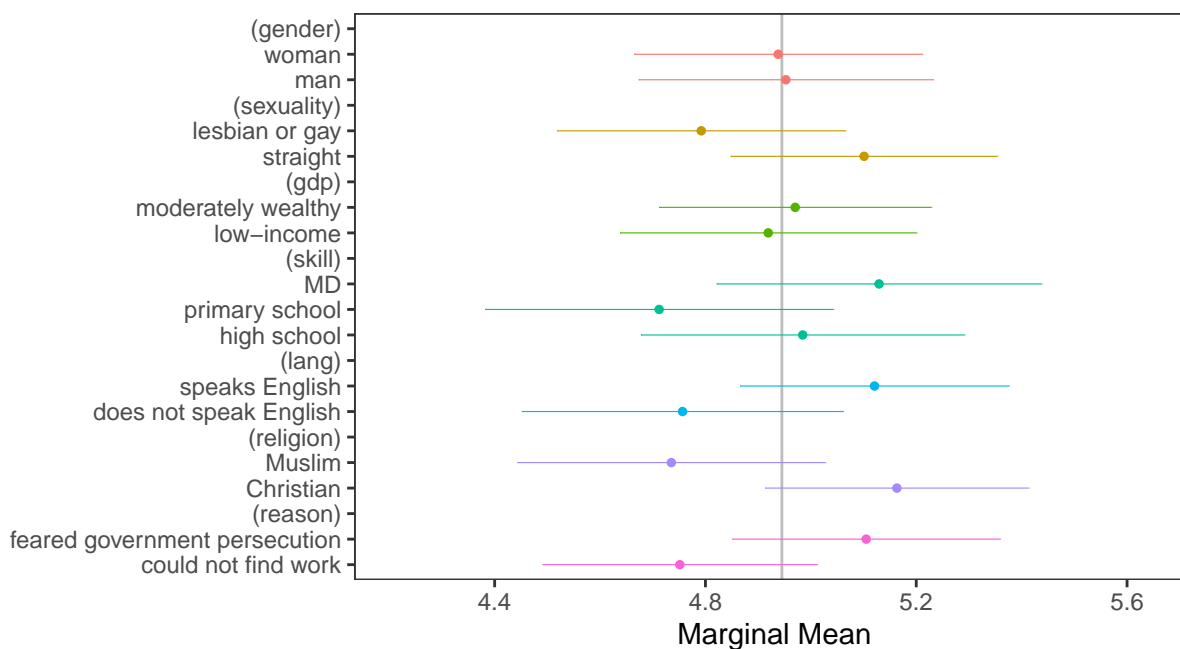

## Deservingness

Feature

- gender
- sexuality
- reason
- gdp
- skill
- lang
- religion

## Shared values

## Shared values

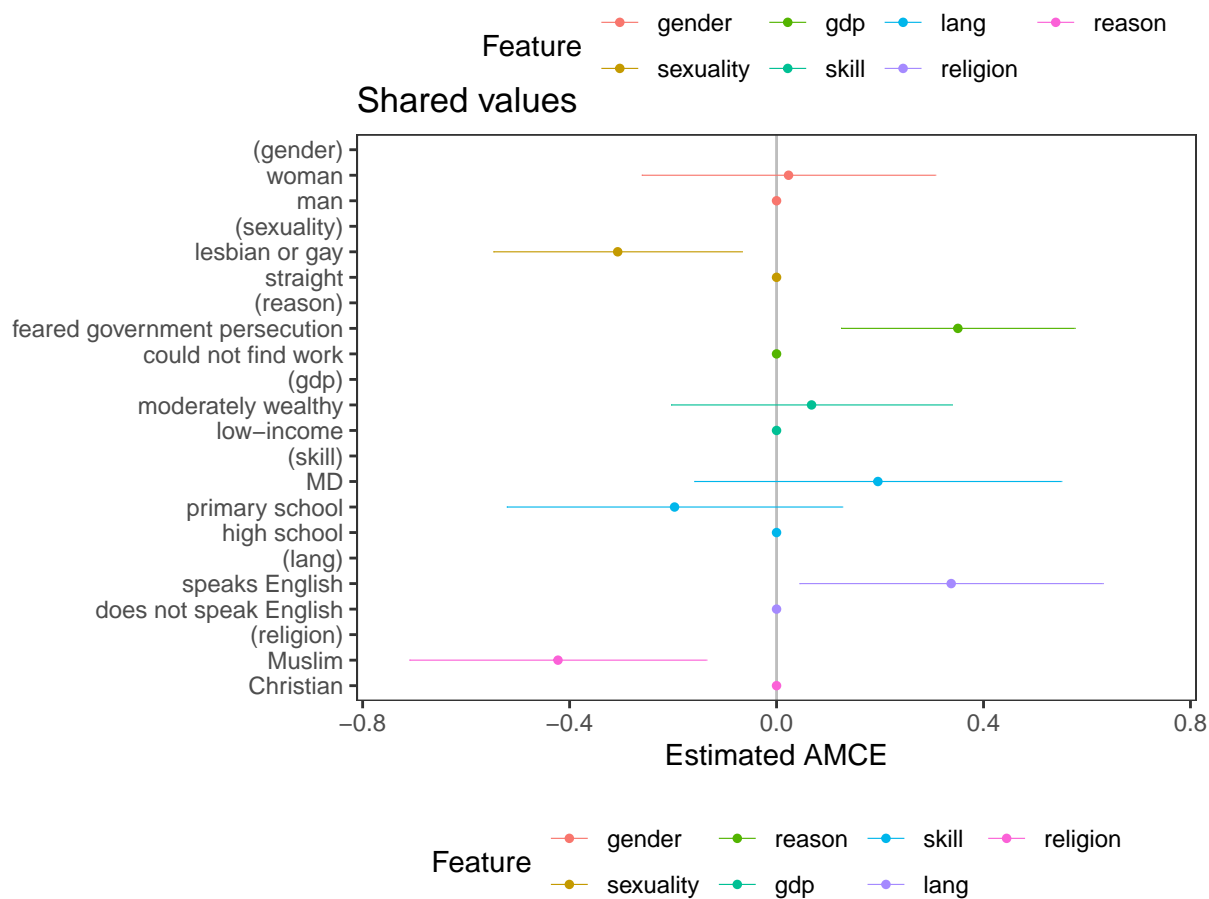

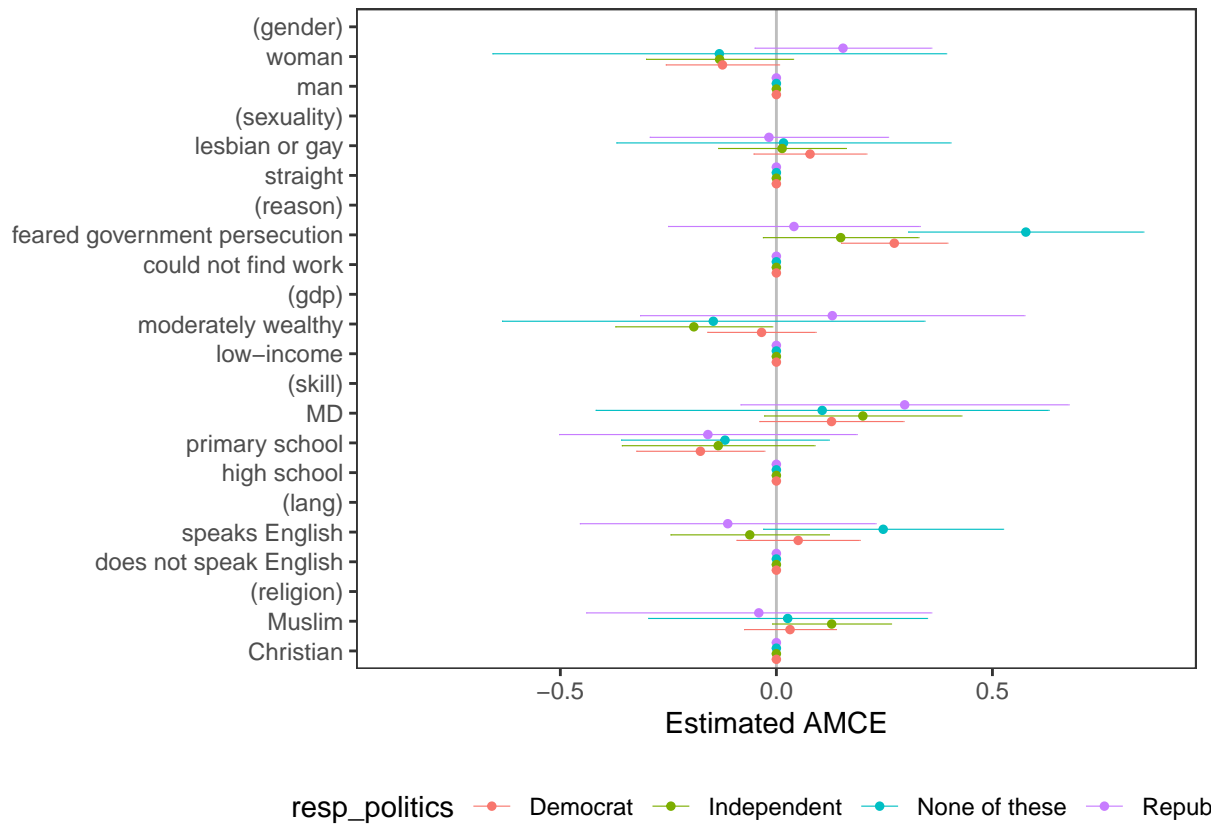

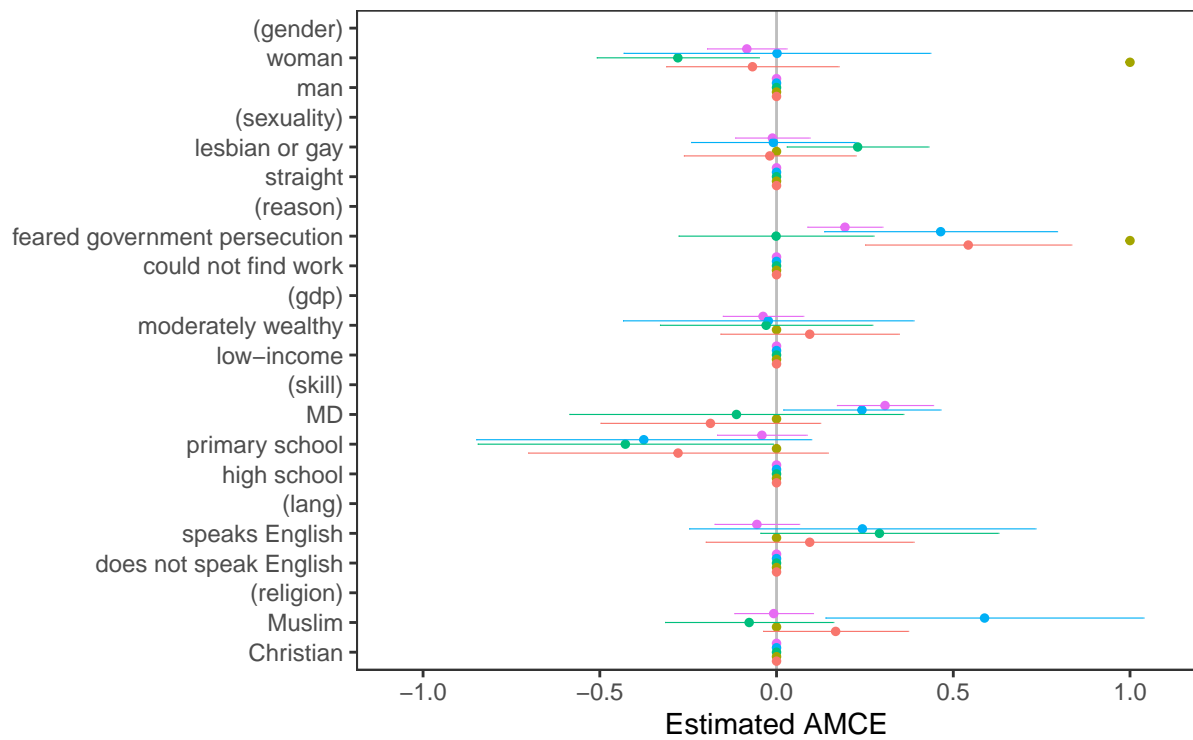

Table 3

sexuality	mean(value)
straight	5.1
lesbian or gay	4.79

resp\_sexuality   ● Bisexual   ● I don't know the answer   ● Lesbian or gay   ● Something else   ● Straight
